

# Home should always be the safest place.

*How are you keeping your residents safe?*

## virtual guard SERVICE

*We're looking for trouble.*

- ♥ Live video monitoring 24/7/365.
- ♥ Sophisticated video analytic software to detect suspicious activity
- ♥ Interactive two-way audio systems to deter criminal activity.
- ♥ Low monthly cost, no equipment to buy and service after the sale.
- ♥ Secure access to your video from anywhere with an Internet connection.
- ♥ Access control systems for secure entry to gates, pools, laundry facilities, pavilions and other common areas.
- ♥ Virtual Attendant services to reduce or eliminate the expense of on-site security or doormen.
- ♥ Receive instant alerts and video/audio clips directly to your computer or mobile device.
